Scouting The Shops

With Sally

If we weren't a mother with three children we'd spend most of our time playing poker with the boys. Gambling is fun.

Of course we can never remember which card is wild and we always get the red and blue chips mixed up, but that doesn't matter, does it?

John says one of our uncles was hanged for gambling—we don't believe it. Anyway Westlake Market is holding a mammoth food show on Saturday with free drawings every two hours—and just try to keep us away! John will be sorry when he sees that bag of free groceries we're going to win.

Besides we feel lucky this week. We're going to try a new hair stylist at Martha's Beauty shop, just opening at 7119 Mission street. Of course that isn't a gamble at all, really, because the new stylish worked under Paul in Hollywood.

Speaking of movie stars, have you seen the luscious Olivia De Havilland in her new picture now at the Daly City theatre?

It made us so happy we felt like throwing confetti. However, we curbed our instincts and bought some confetti candy from Geneva Bakery which we intend to throw all over our guests at our next party.

If they haven't any sense of humor we'll soothe their wounded feelings by feeding them sweet, new pomegranates from Lucca Ravioli, but we'll never invite them back again.

We'd like some one to throw confetti at us. It makes a person feel important. Like having someone throw you a bridal bouquet. (For beautiful bridal bouquets plant your flowers now. Daly City Nursery have many beautiful new plants.)

Of course there are a lot of things we don't like thrown at us. Dirty looks. Or tomatoes . . . P.S. If you do insist on throwing tomatoes, please buy them from the Daly City Cut Rate Market where they're nice and solid.

Do you love to try new recipes? Maybe that's a form of gambling.

FORTY FAIR FINALE

Signalizing the final rites for the Golden Gate International Exposition, which occur on the night of Sunday, September 29, Nina Bissell—"Miss Pacific Coast"—prepares to lay a wreath on Pacifica, theme statue of Treasure Island. Flanking her and standing at present arms are members of the crack Treasure Island Company of the United States Army with their color guard who have added many impressive ceremonies to the 1940 season.

Mammoth Food Show Will Be Staged In Daly City By Westlake Food Market

Packed with entertainment, free prizes, merchandise orders, and grocery bargains, Saturday is going to be a gala day indeed for Mrs. Local Housewife, at Westlake Market's mammoth food show.

There'll be lots of music and fun all day long, with Les Leonard, clever impresario of Superba Packing company, acting as master of ceremonies. Leonard will also announce the four drawings for free bags of groceries. Winners must be present to win at the drawings, which will be held at 11 a. m., and 1, 3, and 5 p. m.

Gaily decorated, the Westlake market itself carries out the festival spirit of the event. Flags stream from the ceiling and across the streets. Sensational savings in all departments assure the shoppers a worthwhile good time.

A personal invitation to one and all to attend this colorful food fiesta was issued today by Westlake's genial proprietor, Bob Fessenden, and Joseph Hoffman, of the meat department. "We're going to show everybody a good time," Fessenden said. "There's plenty of parking space here for your car, so drop in and see us

too. But who wouldn't gamble on "macaroni in salmon cups?" For the complete recipe, ask Farmer's Market—and don't forget to see their specials this week.

Of course there are lots of things we don't like to gamble on, like butter. That's why we're always glad to trade at Robertson's Egg Store, where we know the butter is fresh. And cleaning—you don't need to worry when you patronize Beeson Cleaners.

One last word: Goodness' Candies has a marvelous special on Rocky Road this week. Byrne Radio Store will give you excellent workmanship on all appliance repairs. And Colma Pioneer Grocery says nothing tastes better to a lot of hungry poker players than Hills Bros. coffee. 2 lbs. for 50c.

Speaking of playing poker, we're really out to win some money next time. All our friends had better watch out because we have set our heart on buying one of those beautiful new Fords that National Auto Company is showing this year.

Church as Stable

The churches of Kilkenny in Ireland have been put to various uses in the past. The cathedral has been a stable, the Franciscan Friary a tennis court, the Black Abbey a courthouse, while the parish church has served both as a barracks and a hospital.

Faithful Parrot

Blackie, a whistling parrot that helps Dominick Palugi in his fortune-telling business by selecting the fateful cards for customers, had the exhilarating experience of occupying the same cage with his owner in New York. Palugi was sentenced to a day in jail for peddling without a license. Blackie went to the cell with him, whiled away the tedious hours by whistling "My Time Is Your Time."

Too Much Is Enough

Just as the pen is mightier than the sword, so is the tongue mightier than the fist. Mrs. Violet E. Richter took it in silence and with patience when her husband flew into a rage at being asked to move the furniture, knocked her down and threatened her with a gun. But when he familiarly referred to her as "the old woman" it was too much. She sued for divorce in a Lancaster, Pa., court and got it.

Children's Parties

All summer long the smaller members of the family have been enjoying their "picnic parties" in the woods, at the lake or perhaps on the front porch. These are very simple parties so far as food is concerned. A few sandwiches, some cookies and milk — and perfect satisfaction is assured.

But now we have our indoor parties to consider — much more elaborate social events in the child's life. Marjorie and Margaret come "all dressed up." Games are in order. A nice dessert is anticipated.

You will want to keep away from too heavy foods or too much food, particularly if these are afternoon gatherings where luncheon is served only a few hours before the home dinner. Here's a suggestion for an economical, healthful dessert that calls for no eggs, no baking or no boiling — but that will always please your little guests:

Vanilla Rennet-Custard

1 package vanilla rennet powder
1 pint milk, ordinary or homogenized
½ cup whipping cream
¼ cup sugar

Make rennet-custard according to directions on package. Then chill in refrigerator. When ready to serve, whip the cream, adding sugar and mixing well. Squeeze through a pastry tube and decorate top of each rennet-custard. Garnish with sliced maraschino cherries, bananas, marshmallows or colorful candies.

'Traffiscope'

Working on the principle of the periscope, the "Traffiscope," shown at the Annual Massachusetts Safety conference held in Boston, represents a new device to promote safe driving. By means of a prismatic lens, the driver can see what is beyond him over the crest of a hill.

Jewish New Year Holidays Begin

Thursday of next week marks the beginning of Jewish New Year holidays. Congregation B'nai Israel announce that the public is cordially invited to share this year's festivities at 67 Los Banos avenue.

Rosh Hashonah will be observed on October 3 and 4, according to the president, Bernath Kraus. Yom Kippur will be celebrated on October 12.

Tickets are selling for a nominal price and may be secured at once. An unusually large crowd is expected to attend this year's services.

African Military Training

Although Tanganyika is not supposed to train natives for military purposes, the government has decided to form a police reserve composed of Askaris and any other Africans who wish to join. In time of emergency they will be incorporated in the regular police force.

Beri Beri and Rice

The disease beri beri, which is common throughout the Orient, is caused by deficiencies in the common diet of polished rice.

Catholic Ladies Aid To Hold Whist

Catholic Ladies Aid Society, Branch 59, will hold a benefit whist party, Wednesday afternoon, at St. Michael's hall, 32 Broad street.

Playing will begin at 2 p. m., for a cash first prize and many other attractive awards. Mrs. Michael Dillion, chairman, cordially invites the public to attend.

Laurel Tree Legend

In Greek mythology, Apollo loved the nymph Daphne. When he descended to earth to woo her, she fled from him, and begged her mother, Gaea, the earth goddess, to save her. Through the intercession of Gaea, Zeus turned Daphne into a laurel tree. From that time Apollo made the laurel sacred and winners in the Pythian games, as well as great poets, were crowned with the leaves.

Little Sir Echo

Chief Park Ranger Perry Brown, of Grand Canyon, Ariz., was assigned to one of the oddest tasks ever given man to perform. It was to rescue an echo. Tourists reported a man crying for help. Brown raced to the scene and found a tourist sitting on a rock below the rim shouting into space.

Island of Apocalypse

Tourists on Mediterranean cruises have the chance not only to see Palestine but to visit Patmos, the little island where Saint John received the visions recorded in the Book of Revelation.

Changed Viewpoint

A young woman in Westchester, Pa., sought to exchange her marriage license for a hunting license. Reason, she explained, was that her prospective husband has disappeared.

TOMATOES
stuffed and baked whole

says Dorothy Greig

NO vegetable appears on the table in more variety than the tomato. As tomato soup it starts dinner or lunch. As tall glasses of tomato juice it brings us our vitamin C for breakfast, and serves as appetizer at other meals. Stewed, it comes to the table as a hot vegetable. Raw, we enjoy it in salads.

So there is nothing startlingly novel about the idea of stuffed, baked tomatoes. But the way I fix them they do taste so good! The rice stuffing is blended through and through with mushroom flavor. These tomatoes are delicious with meat loaf. Indeed, you can bake both at the same time in the oven. I like them, too, as a main dish for a light luncheon or supper.

The stuffing is made this way:

1 can condensed cream of mushroom soup
2 cups cooked rice
2 or 3 tablespoons buttered bread crumbs
5 or 6 whole tomatoes

Empty the cream of mushroom soup into a saucepan and stir well. Then add the cooked rice and the centers from the tomatoes, chopped and then drained. Stuff the tomatoes with this mixture, cover with buttered bread crumbs and bake in a moderately hot (375°) oven for 25-35 minutes.

To prepare the tomatoes: Slice off stem end of tomato, scoop out the center, sprinkle with salt and pepper and let stand 30 minutes. Drain well before filling with the rice and mushroom mixture. Serves 5-6.

Submarine Cable

Gutta-percha, a sap obtained from trees in Java, Malay, Sumatra and other tropical regions, and balata, made by evaporating latex from the forests of the Amazon districts, Venezuela, Brazil, Panama and the British and Dutch Guianas, are used for submarine cable insulation.

CCC Food Supplies

It takes 1,500,000 pounds of food every day to feed the boys in the CCC camps.

On The Trail of Bargains With Ocean View Sue

Says Ocean View Sue:

Do your hands have that grubby look that shouts that you've just come out of the kitchen? Then it's high time you went to the Morgan Beauty Shop for an expert manicure.

Anyway, we really don't need to spend as much time in the kitchen as our grandmothers did. Sure Save Groceteria offers many time-savers—cheese already grated at only 5c a package; wax paper, 4c a roll; grapefruit juice ready to serve, 2 cans for 13c.

Ocean View Pharmacy will supply you with many household conveniences to lighten the burden of looking after the family's health. And the 10c tables at the Ocean View Toggery are sure to yield a number of labor-saving ideas.

We hope you are not one of those few unenlightened souls who attempt to do their own cleaning. Alemany Cleaners will do an expert job for a very reasonable charge.

You'll find that ice-cream from Pat's is a delicious, inexpensive and time-saving dessert. Or fresh doughnuts from the Ocean View Bakery.

A quick fingerwave at the New Home Beauty Shop will turn you into a charming hostess in a few moments.

One last hint: Don't let those run-over shoes betray poor grooming. Ocean View Shoe Shop will repair them for a nominal sum.

SEEN IN DRAMA DRAWN FROM SINCLAIR LEWIS' STORY

"Untamed," Sinclair Lewis' gripping novel of a love triangle set in the Canadian North Woods, now playing at the Daly City theatre, with Ray Milland, Patricia Morison and Akim Tamiroff handling the featured assignments. The picture is produced in Technicolor.

Mammoth Food Show Will Be Staged In Daly City By Westlake Food Market

(Continued from Page 1)

Saturday. Don't forget to get your tickets for the prize drawings."

The Original Mammoth Food Shows have planned a gigantic demonstration under the supervision of Les Leonard, of Superba brands, Ton y Tedesco of Tedesco brands, Tony Tedesco of Tedesco ger's Coffee Company. These gentlemen have assured the community the biggest event of this kind ever to appear in Daly City.

Tickets are being given away at Westlake market now for the big drawings to be held on Saturday. Tickets will also be given out Saturday until time for the last drawing at 5 p. m.

Preparations have been completed to handle a huge crowd all day Saturday, although there will be plenty of room for everyone to participate in the drawings and see the entertainment features.

The Westlake market is located at the corner of Westlake avenue and Miriam street, just off Mission street. The regular free delivery service will not be curtailed Saturday because of the celebration, with phone orders being accepted and filled promptly.

Military Buttons

One of the greatest collections of military buttons is owned by Robert S. Duncan of Toronto, Canada. He has 2,000 army buttons which have come from every section of the British empire and from 17 other countries. They are divided into 31 groups mounted on corrugated boards covered with paper.

Farm Accident Ratio

More people are killed in the course of farm work than in any other industry.
